Exit Borough tube through the main exit and cross over the road until you're on the other side of the cross roads, beside the church. Long Lane runs off behind the church. Walk down Long Lane, past Tesco on your right and when you hit Weston Street, turn left (It's about 5 minutes from the tube exit to Weston Street) Carry on along Weston Street and you'll soon come up to Leathermarket Street on your right. We're number 2, Artbrand Studios, just down Leathermarket Street on the right hand side opposite the lovely rose garden.
